The bigots you pander to don't give a damn about women, harassment or assault. These are the people who called victims lying money hungry jilted whores. They shrugged at school shootings till they hear the words trans and Christian. All they do is hate.

Caitlyn Jenner is part of the problem!! We don't want to hear his opinion about a man identifying as a female .. that's what he is doing!

Seems like someone who lets their daughters act the way they do.
Shouldn't be lecturing anyone on the protection of women.

Women rights are not negotiable! Transgenders rights are NOT women rights, only women rights are women rights.

Jane Weitzel @JaneWeitze3211 · May 18, 2023
I fully agree. Women need to be respected and loved as God commanded.
This has been by far the most disrespectful act I have seen in my 70 years in this world.

Because liberalism!

Doesn't it make you want to rush out and give liberals [Show more](#)

Fox is running these trans stories into the ground. Move on. It's boring. You're not going to stop people from being trans.

No to "Caitlyn" and self mutilation. Ignore and forget and get your malehood back. Transgender is unnecessary. Seriously. People have lost their will of happiness and the pursuit thereof.

'Transgenderism' has far more sinister motives than one might think. The globalist objective is to eradicate the M/F species. First comes perceptual deletion via gender ideology followed by castration. 'Toxic masculinity' targeted men; now they're coming for the women.
